

General Admissions Criteria for 2024

The minimum admission requirement is a National Senior Certificate (NSC) Bachelors pass - an achievement rating of 4 (adequate achievement 50-59%) or better in four NSC subjects

UWC Points System

For admission to degree and diploma programmes UWC uses a weighted system for calculating points. In order to be admitted to degree studies the candidate should have attained a minimum number of points.

Refer to each programme on the reverse side to determine the number of points required. The UWC points table to the right indicates how points are allocated.

In addition to point score requirements mentioned above, additional criteria must be met to qualify for admission to particular study programmes.

Specific programme admission requirements can be found under each of the Faculties on the reverse side.

LEVELS		PERCENTAGES	UWC POINTS			
NSC levels	UWC level	%	Points for English *1	Points for Maths or Maths Lit	Points for Life Orientation	Points for each other subject
